PRESIDENT BY **BURN ON HAND**

Washington, April 20 - The burn received by President Wilson yesterday when he grasped a hot exhaust pipe as he climbed from the fighting tank Britannia after a ride around the White House grounds will prevent him from playing golf for at least a month, it was said today. The president played golf almost every day. The burn was giving the President some pain today, but he did not allow it to interfere with his duties, going about

JINGO PRESS OF JAPAN FAILS TO STIR SENTIMENT

Tokyo, Friday, April 12-(By the Associated Press) - The Japanese press and public are not greatly concerned over the situation that has brought about the landing of Japanese and British forces in Vladivostok. emphasis is laid on the decision of the The jingo element's efforts have fallen flat. The anti-covernment newspapers

have openly proclaimed Germany as been unable to make headway.

The Nichi Nichi Shimbun says the their ally. The bishops have not counselled violence, urging passive Russian people probably soon will understand Japan's true motives more fully. The Kokumin Shimbun gives a istered on Sunday to what one authority estimates at nine-tenths of the entire Catholic population of the country binds them "to resist con-scription by the most effective means Vladivostok the landing forces of scription by the most effective means Viadivostok the landing forces of at their disposal," This gives wide friendly nations, peacefully guarding latitiude and pleases the advocates of life and property from the mob.

Some effort has been made to create distrust of America's motives, but government officials, being interviewed, say there is no basis for such feling and that the United States joined Great Britain and Japan in representations to Russia regarding the situation in Vladivostok and would herself have landed troops in similar circumstances. The United States, they say, is merely observing the principle of non-interference unless absolute necessity arises.
